Collect Estimated
Per Visit Cost

We will collect the most accurate estimate of the amount you will be responsible for paying.

***Self-Pay** rates are provided to patients who are not using Insurance Benefits. Payment is expected at the time of service.

Lifestrength (LSPT) will file insurance claims with charges on your behalf. Charges are based on services rendered (CPT codes) at each visit. This is NOT amount paid by you.

Your insurance will adjust the amount depending on your plan & contract with LSPT. Any balance not paid/adjusted by your insurance company becomes your patient responsibility.

Through an explanation of benefits (EOB), the patient and LSPT are notified about the portion of the claim that will be paid by the patient.

Deductible
Met

Copay or
Coinsurance

A set fee you pay for certain visits or services at the time of care. Insurance covers the rest.
